VERSE 1

Em7 **C**
Velvet black night Pierced with white
G **Bm**
Stars waiting quiet Wide listening sky
Em7 **C**
Stillness of air Life hanging there
G **Bm**
Out of despair Rises a prayer

PRE-CHORUS

C **Am**
Can we take in Your light So we can shine like You?
C **Am**
With all this weariness Can we shine like You?
G **F#m7**
With this weariness

CHORUS (full band in)

Em **G**
O we are loved We are loved
Am7 **C**
And it's quite enough that We are loved
Em **G**
We are loved We are loved
Am7 **C**
And it's quite enough that We are loved
G **D**
If the whole world could feel like
Am **C**
If the whole world could feel like
Em **G**
We could love We could love
Am **Bm** **G**
'Cause we are loved

VERSE 2

Surrounded in white O purest bride
No lovelier sight The church will rise
Take in Your light To shine like You
Take this weariness O we can shine like You

BRIDGE (my best guess)

C **G/B** **C** **G/B** **Am**
Oh.... Oh....
C **G/B** **C** **G** **D/F#**
